The Czech Republic has implemented all EU regulations regarding required export certifications. For information on EU export certifications, please see the Food and Agricultural Import Regulations and Standards – Certification Report prepared by USEU Brussels available at http://gain.fas.usda.gov.

Section I. List of All Export Certificates Required By Government (Matrix) :
Export Certification
Harmonized certificates and information related to trade with commodities subject to veterinary controls are available on-line at the website of the State Veterinary Administration: https://en.svscr.cz/trade-with-vet-commodities/general-information/. The website was recently updated, the former version of the website in English can still be found here: http://eagri.cz/public/web/en/svs/portal/trade-with-vet-commodities/.

For phytosanitary certificates for products not listed in the EU plant Directive 2000/29, please contact the State Phytosanitary Administration, which is part of the Central Institute for Supervising and Testing in Agriculture. Please find the current contact information at the end of this document.
