Report Highlights:

On March 22, 2013, the Food Safety and Standards Authority of India (FSSAI) announced a one-week extension to invite relevant national experts to participate in the harmonization process of Indian food standards with Codex and other international best practices.

General Information:

Introduction: On March 22, 2013, the Food Safety and Standards Authority of India (FSSAI) published an advisory extending the time period to invite relevant national experts for participation in harmonization of Indian food standards with Codex standards and other international best practices. The nomination period will now close on March 31, 2013 ([IN3013](#)). The full text of the FSSAI advisory can be accessed through the [FSSAI](#) website.
