TO

Allanasons Limited., Mumbai

CITATION

Through more than 147 years of inspired leadership, the Allana Group has for years consolidated its position as India's largest exporter of branded processed food products and Agro commodities, including frozen / chilled meat, processed / frozen fruit and vegetable products, coffee, spices and cereals to over 80 countries world-wide.

At Allanasons, Quality continues to be a crusade. All facilities strictly comply with integrated systems requirements covering Quality Systems (ISO 9001:2000), Food Safety (HACCP), Environment Management (ISO: 14001) and Occupational Health and Safety Management (OHSAS: 18001), duly certified by DNV (of the Netherlands) and ensuring a defined system of traceability. The Company has taken many initiatives in backward integration in livestock development and in contract farming network for horticulture produce.

With substantial investments in world class integrated food processing infrastructure, R & D and market development, Allanasons has achieved consistent growth in its exports. During the year 2010-2011, despite unfavourable worldwide condition, the export turnover of Allanasons grew spectacularly by over 20%. The Company which already enjoys the pride of being awarded the highest APEDA Trophy seventeen times in a row, is now being awarded the "Diamond Trophy" for another outstanding export performance and overall contribution in food sector.

The Company's export during the year 2010-11 stood at Rs.3982.55 crore.

The Company is being awarded the "Diamond Trophy" for its outstanding export performance and contribution and overall contribution in food sector especially Meat Sector.
