Voluntary Report – Voluntary - Public Distribution  

Date: November 09, 2020  

Report Number: IN2020-0162  

Report Name: INDIA - FSSAI Allows Specialty Food Imports to India for an Additional Six Months  

Country: India  

Post: New Delhi  

Prepared By: Radha Mani, Agricultural Assistant  

Approved By: Mariano Beillard, Senior Regional Agricultural Attaché  

Report Highlights:  

On October 28, 2020, the Government of India’s Food Safety and Standards Authority of India (FSSAI) published a fourth consecutive timeline extension on specialty food imports for special medical and therapeutic purposes. In its earlier notification dated April 20, 2020, the FSSAI granted a six-month extension from February 2 to November 1, 2020, or until the time the standards were established, whichever was earlier. The current notification extends the timeline by another six months from its previous date to May 1, 2021, or until the FSSAI establishes its corresponding standards, whichever is earlier.
General Information:

**DISCLAIMER:** The information contained in this report was retrieved from the Government of India website http://www.fssai.gov.in/. The U.S. Government makes no claim of accuracy or authenticity.

On October 28, 2020, the Food Safety and Standards Authority of India (FSSAI) granted a six-month timeline extension to allow imports of specialty foods for special medical and therapeutic purposes beyond November 1, 2020. As the standard making process for these foods is still not complete, an additional six-month extension has been provided to allow imports of these specialty foods, or until the time the standards are established, whichever is earlier. As stated in its earlier notifications, these food products are allowed only through the New Delhi and Mumbai ports. All other details remain the same as provided in the previous FSSAI notifications from April 20, 2020, May 2, 2019, and November 1, 2018 (uploaded to the FSSAI’s website on November 2). The full text of the current notification, along with the previously issued notifications and Annex are attached below and are available on the FSSAI website.

---

File No.1-1715/TSSAI/Imports/2017 (Part 2)
Food Safety and Standards Authority of India
(A Statutory Authority Established under the Food Safety and Standards Act, 2006)
FDA Bhawan, Kotla Road; New Delhi – 110002

Dated: 28 October, 2020

Subject: Direction under Section 16(5) of Food Safety and Standards Act, 2006 regarding import of specialty foods for IEM and hypoallergenic conditions- reg.

In continuation to the earlier direction dated 20.04.2020 (copy enclosed), it has been further decided to allow the import of Food for Special Medical Purposes (i.e. Food for Inborn errors of metabolism and hypoallergenic conditions) as listed in the Annexure-A for a further period of six months from 02.11.2020 i.e. till 01.05.2021 or till their standards are notified, whichever is earlier.

2. Further, for better control, the import of such products shall continue to be permitted through Delhi and Mumbai ports only.

3. This issues with the approval of the Competent Authority in exercise of the power vested with Food Authority under Section 16(5) of Food Safety and Standards Act, 2006.

Encl: As Above.
