Voluntary Report – Voluntary - Public Distribution

Date: August 22, 2021

Report Number: TW2021-0047

Report Name: Taiwan Publishes Amended MRL List

Country: Taiwan

Post: Taipei

Report Category: Agriculture in the News, Agricultural Situation, Sanitary/Phytosanitary/Food Safety, Trade Policy Monitoring, WTO Notifications

Prepared By: Erik Syngle

Approved By: Erik Syngle

Report Highlights:

On August 18, 2021, Taiwan implemented an amended version of its Standards for Pesticide Residue Limits in Food. The amendments were previously published in draft form on April 7, 2021. This report contains an English language Appendix Table with information on the new, updated, or nullified Maximum Residue Limits (MRL) for food, as well as a link to Taiwan's WTO SPS notification for the same.
Annex

Standards for Pesticide Residue Limits in Foods (Amendment part)

Article 3
