## Czech Republic

### Food and Agricultural Import Regulations and Standards - Certification

### FAIRS Export Certificate Report

**Approved By:**

Russell J. Nicely, Agricultural Attaché

**Prepared By:**

Jana Mikulasova, Agricultural Specialist

**Report Highlights:**

The Czech Republic has implemented all EU regulations regarding required export certifications. For information on EU export certifications, please see the [Food and Agricultural Import Regulations and Standards – Certification Report number E14005](#) prepared by USEU Brussels.

**Section I. List of All Export Certificates Required By Government (Matrix) :**

**Section I. List of All Export Certificates Required By Government (Matrix):  
and**

**Section II. Purpose of Specific Export Certificate(s):**

**Czech Republic Specific Required Export Certification**

Exceptions/additions to the EU harmonized certificates include:

**Pet birds**

In addition to an EU harmonized certificate, import of pet birds requires individual authorization from the State Veterinary Administration – applies until December 31, 2015.

Harmonized certificates and information related to trade with commodities subject to veterinary controls are available on-line at <http://eagri.cz/public/web/en/svs/portal/trade-with-vet-commodities/>

**Certification of Origin for Spirits Cancelled**

The Government Regulation no. 307/2012 requiring specific certification of origin for certain types of spirits and distillates was cancelled as of September 1, 2014, by the Czech Government. The certificate of origin is no longer required. However, all original legislative requirements are still in place, which means products still have to comply with the food safety and traceability requirements as set by Czech and EU legislation.

**Section III. Specific Attestations Required on Export Certificate(s)**

N/A

**Appendix I. Electronic Copy or Outline of Each Export Certificate**

For copies and outlines of the required export certificates please follow the links above.
