Food and Agricultural Import Regulations and Standards - Certification

FAIRS Export Certificate Report

Approved By:

Russell J. Nicely, Agricultural Attaché

Prepared By:

Jana Mikulasova, Agricultural Specialist

Report Highlights:

The Czech Republic has implemented all EU regulations regarding required export certifications. For information on EU export certifications, please see the [Food and Agricultural Import Regulations and Standards – Certification Report number E14005](#) prepared by USEU Brussels.

Section I. List of All Export Certificates Required By Government (Matrix) :

Export Certification

Harmonized certificates and information related to trade with commodities subject to veterinary controls are available on-line at <http://eagri.cz/public/web/en/svs/portal/trade-with-vet-commodities/>

Section II. Purpose of Specific Export Certificate(s)

Specific Required Export Certification

Exceptions/additions to the EU harmonized certificates include:

Pet birds

In addition to an EU harmonized certificate, it is necessary to request actual information from the State Veterinary Administration – applies until December 31, 2017.

Certification of Origin for Spirits Cancelled

The Government Regulation no. 307/2012 requiring specific certification of origin for certain types of spirits and distillates was cancelled as of September 1, 2014, by the Czech Government. The certificate of origin is no longer required. However, all original legislative requirements are still in place, which means products still have to comply with the food safety and traceability requirements as set by Czech and EU legislation.
