Report Highlights:

On December 11, 2025, the Ministry of Trade and Integration announced the first stage of 2026 meat and poultry quotas by HS code for historic suppliers (i.e., importers). The first stage approved the distribution of 2,835 tons of beef and 31,500 tons of poultry. The 2026 TRQ volumes and rates remain unchanged from those announced in 2025. U.S. exporters are advised that shipping, transportation, and customs clearance delays related to the geopolitical situation have been reported in several Baltic and Caspian Sea ports of entry, and along ground transportation routes in Eastern Europe.

Background Information:

Beginning in 2010, tariff rate quotas (TRQs) were introduced for Belarus, Kazakhstan, and Russia by Customs Union Commission Decision No 130 dated November 27, 2009. Since then, the Eurasian Economic Commission (EEC) has approved TRQ volumes for specific beef, poultry, and pork products for Eurasian Economic Union (EAEU) members. As a EAEU member, Kazakhstan then approves specific volumes to “historical suppliers” (i.e., importers) who are authorized to import the product under the preferential customs rate of 15 percent of customs value for beef; and 25 percent, but not less than 0.20 euros per kilogram for poultry. Any beef imported outside of the quota is assessed a duty rate of 50 percent of the customs value, but not less than 1 euro per kilogram. Any poultry imported outside of the quota is assessed a duty rate of 80 percent of the customs value, but not less than 0.7 euros per kilogram. Beef and poultry products are still under TRQ regimes, while pork quotas were cancelled in 2016.

On October 7, 2025, the EEC issued [Decision No. 89](#) “On Establishment of Tariff-Rate Quotas for Import of Certain Agricultural Goods into the Customs Territory of the Eurasian Economic Union (EAEU), as well as volumes of Tariff-Rate Quotas for Import of these Goods in the Territories of the Eurasian Economic Union Member states for 2026.” The decision established TRQs and volumes for meat, poultry, and whey imports into the EAEU.

The relevant decree text in Russian is available [here](#). Please find an unofficial English translation of the document below.

If a U.S. exporter has questions about the TRQs or customs issues, please reach out to FAS/Astana at AgAstana@State.gov.
