**Report Highlights:**

On February 5, 2026, the European Union extended the suspension of the EU's retaliatory tariffs against U.S. products for an additional six months to August 6, 2026.

On July 24, 2025, the European Union (EU) published [Implementing Regulation 2025/1564](#) introducing retaliatory tariffs against U.S. goods valued at USD \$109 billion . This Regulation was set to enter into force on August 7, 2025. The full list of products subject to the retaliatory tariffs can be found in [GAIN Report European Commission Publishes Updated Retaliatory Tariff Regulation to Enter into Force on August 7 2025](#).

On August 5, 2025, to respect the political agreement reached between President von der Leyen and President Trump, the European Union published [Implementing Regulation 2025/1727](#) suspending retaliatory tariffs on certain U.S. products imposed by [Implementing Regulation 2025/1564](#). This suspension was in place until February 6, 2026.

On February 5, 2026, the European Union published [Regulation 2026/295](#) in its Official Journal to again extend suspension of the EU's retaliatory tariffs for an additional six months to **August 6, 2026**. The Regulation notes that the European Union remains committed to making progress to ensure the full implementation of the August 2025 Joint Statement between President Trump and Commission President Von der Leyen.
