

**Voluntary Report** – Voluntary - Public Distribution

**Date:** July 03, 2024

**Report Number:** CH2024-0079

**Report Name:** Fourteen National Food Safety Standards Open for Comments

**Country:** China - People's Republic of

**Post:** Beijing

**Report Category:** FAIRS Subject Report, Sanitary/Phytosanitary/Food Safety, MISC-Commodity, Trade Policy Monitoring

**Prepared By:** FAS China Staff

**Approved By:** Adam Branson

**Report Highlights:**

On June 27, 2024, China's Food Safety Standards Monitoring and Evaluation Department of the National Health Commission (NHC) released a letter soliciting public comments on fourteen National Food Safety Standards and related regulations. This report contains an unofficial translation of the announcement and the list of draft standards open for comments. The announcement includes both new and revisions to existing measures on labeling of pre-packaged foods, cooked meat products, dried fruits and vegetables, milk protein, several food additives, and other items of broad interest. Stakeholders should conduct their own review of the relevant draft standards.

## Report Summary:

On June 27, 2024, the NHC released “[Letter from the Secretariat of the National Food Safety Standard Review Committee on Soliciting Public Comments on Fourteen National Food Safety Standards Including the National Food Safety Standard for Cooked Meat Products](#)” (link in Chinese).

The draft National Food Safety Standards calling for domestic comments in China include:

- Four food products standards,
- Five food additives standards,
- Three food operation and hygiene protocols,
- One physical and chemical testing method,
- One general standard.

Written comments for the general standard of the Principles for the Labeling of Prepackaged Foods GB 7718 must be submitted via the National Food Safety Standards Information Management System ([https://sppt.cfsa.net.cn:8086/cfsa\\_aiguo](https://sppt.cfsa.net.cn:8086/cfsa_aiguo)) by July 10, 2024.

The written comments for other draft standards in the list can be submitted via the National Food Safety Standards Information Management System ([https://sppt.cfsa.net.cn:8086/cfsa\\_aiguo](https://sppt.cfsa.net.cn:8086/cfsa_aiguo)) by August 26, 2024.

This report contains unofficial translation of the announcement, and the list of draft standards open for comment in China. Stakeholders should conduct their own review of the draft standards.

## BEGIN UNOFFICIAL TRANSLATION

### **Letter from the Secretariat of the National Food Safety Standard Review Committee on Soliciting Opinions on 14 National Food Safety Standards (draft for comments) including “National Food Safety Standard Cooked Meat Products”**

#### **Food Standard Secretariat Issue [2024] No. 5**

Relevant units:

In accordance with the provisions of the “Food Safety Law” and its implementation regulations, our committee organized the drafting of 14 national food safety standards (for solicitation of comments) including the “National Food Safety Standard for Cooked Meat Products” and is now publicly soliciting opinions from the public. Please log in to the National Food Safety Standards Management Information System ([https://sppt.cfsa.net.cn:8086/cfsa\\_aiguo](https://sppt.cfsa.net.cn:8086/cfsa_aiguo)) to submit written comments.

**List of National Food Safety Standards Soliciting Comments**

<b>Serial Number</b>	<b>Standards Names</b>	<b>Formulation/Revision</b>
