Report Highlights:

The European Commission adopted a proposal to give Ukrainian producers more and better access to the EU market for a number of agricultural and industrial products by temporarily raising tariff quotas.

General Information:

The [European Commission adopted a proposal](#) to give Ukrainian producers more and better access to the EU market for a number of agricultural and industrial products by temporarily raising tariff quotas (TRQ) for 3 years in addition to the preferential tariff-rate quotas set out in [EU Regulation # 374/2014](#).

The Ministry of Agricultural Policy and Food of Ukraine ([in Ukrainian](#)) estimated additional \$200 million of agricultural products to be shipped to the EU market from Ukraine as the result of practical application of new TRQ levels.

FAS-Kyiv included these in the table below as well as added comparison with TRQ.
