The following communication, received on 6 February 2026, is being circulated at the request of the Delegation of Thailand.

The DLD order on temporary suspension of the importation or transit of bovine and buffalo and their carcasses from Cambodia to prevent the spread of Lumpy Skin Disease

Thailand proposes an amendment to the Department of Livestock Development (DLD) order on temporary suspension of the importation or transit of bovine and buffalo and their carcasses from Cambodia to prevent the spread of Lumpy Skin Disease by adding paragraph (2) as follows:

By the virtue of the Animal Epidemics Act B.E. 2558 (2015), the importation or transit of bovine, buffalo, and their carcasses from Cambodia has been temporarily suspended.
2. Where bovine, buffalo, and their carcasses from Cambodia have undergone a risk assessment and have been determined to be free from epidemic diseases or vectors thereof, and where the measures prescribed by the DLD of Thailand have been duly complied with, the Director-General of the DLD will grant permission for the importation or transit of such bovine, buffalo, and their carcasses into or through Thailand.
